2002

Cuotas más equitables para los miembros de la UIPES (Mittelmark, M. B.) IX/4 (167)
Des cotisations de l'UIPES plus équitables (Mittelmark, M. B.) IX/4 (157)
Disease prevention *(Establishment of a School of Public Health in Hong Kong)* IX/Suppl. 1 (8-9)
Education *(CD-ROMS available to help facilitate health promotion and education)* IX/1 (22-25)
Education *(Let's not lose sight of pedagogy when using computer-based technologies in health education)* IX/3 (106)
Education *(Using technology for a social good: providing literature for the blind and reading-impaired)* IX/3 (107)
Education *(Using the internet as a phone service: an improved technology that can benefit health promotion and education)* IX/4 (151)
Education *(Website sources for information on the use of computer-based technology in health promotion and education)* IX/2 (62)
Education for health providers in the prevention of the transmission of Hepatitis C virus: a case study in rural Egypt (El Katsha, S. *et al.*) IX/1 (16-21)
Effectiveness *((the) Cochrane Health Promotion and Public Health Field - expanding and promoting the evidence base)* IX/3 (96-97)
Effectiveness *(Effectiveness of a resource on the Australian health care system among the Sydney Chinese-speaking community)* IX/3 (98-100)
Effectiveness *(Fifth European Conference on the Effectiveness and Quality of Health Promotion: New dimensions in promotion health- linking health promotion programmes with public policies)* IX/4 (136-137)
Effectiveness *(Health promoting schools evidence for effectiveness workshops report)* 61)
Effectiveness of a resource on the Australian health care system among the Sydney Chinese-speaking community (Hua, M. *et al.*) IX/3 (98-100)
Efficacité *(Cinquième Conférence européén de l'UIPES sur l'efficacité et la qualité de la promotion de la santé- lier les programmes de promotion de la santé aux politiques publiques)* IX/4 (158-159)
Eficacia *(Quinta Conferencia europea de la UIPES sobre eficacia y calidad de la promoción de la salud- enlazar los programas de promoción de la salud con las políticas públicas)* IX/4 (167)
Egypt *(Education for health providers in the prevention of the transmission of Hepatitis C virus: a case study in rural Egypt)* IX/1 (16-21)
Empowerment *(Radio programming for health and social development in Mongolia)* IX/3 (101-105)
En marcha hacia nuevos horizontes (Jones, C.) IX/1 (35)
En route pour de nouveaux horizons (Jones, C.) IX/1 (29)
Equal opportunity *(Health promotion, equity and access to information)* IX/2 (42-43)
Equidad *(Cuotas más equitables para los miembros de la UIPES)* IX/4 (167)
Equité *(Des cotisations de l'UIPES plus équitables)* IX/4 (157)
Equity *(More equitable IUHPE membership fees)* IX/4 (134-135)
Establishment of a School of Public Health in Hong Kong (Woo, J.) IX/Supp. 1 (8-9)
Ethics *(Assessing the health needs of young people)* IX/2 (49-51)
Europa *(Quinta Conferencia europea de la UIPES sobre eficacia y calidad de la promoción de la salud- enlazar los programas de promoción de la salud con las políticas públicas)* IX/4 (167)
Europe *(Cinquième Conférence européén de l'UIPES sur l'efficacité et la qualité de la promotion de la santé- lier les programmes de promotion de la santé aux politiques publiques)* IX/4 (158-159)
Europe *(Fifth European Conference on the Effectiveness and Quality of Health Promotion: New dimensions in promotion health- linking health promotion programmes with public policies)* IX/4 (136-137)
European training in health promotion: quality assurance based on collaboration and empowerment (Colomer, C. *et al.*) IX/2 (52-54)
European Union *(Challenges in health promotion policies)* IX/4 (143-146)
Evaluation *(Challenges and opportunities in strengthening the evidence base for mental health promotion)* IX/2 (44-48)
Evaluation *(Health promoting schools and healthy schools awards)* IX/Supp. 1 (25-28)
Evidence *(Challenges and opportunities in strengthening the evidence base for mental health promotion)* IX/2 (44-48)
Evidence *(Challenges in health promotion policies)* IX/4 (143-146)
Evidence *((the) Cochrane Health Promotion and Public Health Field - expanding and promoting the evidence base)* *IX/3 (96-97)*
Evidence *(Health promoting schools evidence for effectiveness workshops report)* IX/2 (55-61)
Evidence *(How is success judged in education?)* IX/4 (147-150)
Evidence-based health promotion practice (Green, J.) IX/3 (86)
Evidence based practice *(Evidence-based health promotion practice)* IX/3 (86)
Exercise fondée sur des données *((l') Exercice de la promotion de la santé fondée sur des*

2002

données probantes)	IX/3 (112)
(l') Exercice de la promotion de la santé fondée sur des données probantes (Green, J.)	*IX/3 (112)*
Faciliter l'accès à la publication *(Promotion de la santé, équité et accès à l'information)*	IX/2 (63-64)
Fifth European Conference on the Effectiveness and Quality of Health Promotion: New dimensions in promotion health- linking health promotion programmes with public policies (Davies, M. and Bozoky, Z.)	IX/4 (136-137)
Gender *(Challenges in health promotion policies)*	IX/4 (143-146)
Global conferences *(Global Conferences for solving social problems: are the gains sufficient?)*	IX/3 (87-88)
Global Conferences for solving social problems: are the gains sufficient? (Mittelmark, M. B.)	IX/3 (87-88)
Health *(CD-ROMS available to help facilitate health promotion and education)*	IX/1 (22-25)
Health *(Let's not lose sight of pedagogy when using computer-based technologies in health education)*	IX/3 (106)
Health *(Using technology for a social good: providing literature for the blind and reading-impaired)*	IX/3 (107)
Health *(Using the internet as a phone service: an improved technology that can benefit health promotion and education)*	IX/4 (151)
Health *(Website sources for information on the use of computer-based technology in health promotion and education)*	IX/2 (62)
Health behaviour *(Child and adolescent behaviour in long-term evolution (CABLE): a school-based health lifestyle study)*	IX/Supp. 1 (33-40)
Health communication (*Radio programming for health and social development in Mongolia)*	IX/3 (101-105)
Health education *((the) Adoption of "life-event" approach to promote health education schools)*	*IX/Supp. 1 (49-50)*
Health education *((a) Contextual model for reproductive health education: fertility and family planning in Jordan)*	IX/3 (89-95)
Health education *(Establishment of a School of Public Health in Hong Kong)*	IX/Supp. 1 (8-9)
Health information *(Health promotion, equity and access to information)*	IX/2 (42-43)
Health needs assessment *(Assessing the health needs of young people)*	IX/2 (49-51)
Health organisation *((a) Contextual model for reproductive health education: fertility and family planning in Jordan)*	IX/3 (89-95)
Health promotion *(Child and adolescent behaviour in long-term evolution (CABLE): a school-based health lifestyle study)*	IX/Supp. 1 (33-40)
Health promotion *(European training in health promotion: quality assurance based on collaboration and empowerment)*	IX/2 (52-54)
Health promotion *(Evidence-based health promotion practice)*	IX/3 (86)
Health promotion *(Healthy cities programme in the Western Pacific Region)*	IX/Supp. 1 (10-12)
Health promotion *(Health promotion, equity and access to information)*	IX/2 (42-43)
Health promotion *(Health promotion and health education in China: priority area for the IUHPE)*	IX/Supp. 1 (6-7)
Health promotion and health education in China: priority area for the IUHPE (Lee, A. and Mittelmark, M. B.)	IX/Supp. 1 (6-7)
Health promotion, equity and access to information (Green, J. and Jones, C.)	IX/2 (42-43)
Health Promotion Journal's Equity Project *(Moving towards new horizons)*	IX/1 (2)
Health Promotion Programmes *((a) Profile of the HIV/AIDS epidemic in the Africa-American community: implications for a culturally-sensitive and ethnic-specific health promotion and education programme for African-Americans)*	IX/1 (8-15)
